Roger Babson Discusses Stock Market

Exclusive to THE NEWS

ADVANCE the following ten reasons as to why this is no time to sell stocks which are paid for and held for income.

1. The huge amount of available money in circulation. This has increased from 7 billions in 1940 to 28 billions in 1947. It seems as if more of this would be coming into the stock market.

2. Only small amounts of listed stocks are outstanding, no more than in 1940. Hence, any concerted buying would send up prices.

3. Comparatively little speculation is now going on in stocks. In 1929 the stock transactions on the N. Y. Stock Exchange equalled the total National Income; but in 1946 these transactions were less than 20% of the total National Income.

4. Purchases now are possible only for 75% cash. This keeps (Continued on Page Six)

Trio Steals \$70 in Spa Holdup

Three men who held up Charles R. Korkemas, owner of the Busy Bee Spa at 352 Massachusetts ave., shortly before 11 o'clock Monday night, stole about \$70 from the cash register and fled.

As soon as the men left the store, Korkemas telephoned Arlington police and Sgt. Charles O. Toomey went to the store with two patrolmen. The holdup men were described as being about 22 to 24 years old and one carried a gun, the spa owner told police.

A Cambridge variety store was robbed the same night by three men, believed to be the ones who visited the Arlington store.

House Party Helps March of Dimes Fund

Mary Lafayette and Barbara Adams, pupils at Junior High School East, sponsored a successful March of Dimes party Friday evening at 7 Edith st.

Contributions from guests amounted to \$3.60 which was sent to the Infantile Paralysis Fund. Songs by Jean Snow and Patricia Carey and clever impersonations by Miss Snow, and general dancing were enjoyed.

Others present included Nancy Adams, Dianne Aimo, Myra Belli, Quinlan Crosher, Annette Florenza, Norma Fagan, Clair McHugh, Patricia Milne, Joan Novello, Ann O'Hara, Lorraine Pannegian and Barbara Rose.

Organ Recital Next Sunday

Next Sunday evening at 8:15, the First Parish Congregational Church (Unitarian) will present its organist, Loton E. Springstead, in an organ recital at the church. The public is most cordially invited to attend this program.

Mr. Springstead has studied with Harris Shaw, dean of the Boston Chapter, American Guild of Organists and E. Power Biggs, the world known recital organist. He also has studied with Everett Titcomb of the Church of St. John, The Evangelist of Boston and included on his program are three of Mr. Titcomb's pieces.

The program follows:
"Prelude and Fugue in E Minor," Bach; "Three Pieces on Gregorian Themes," Titcomb, 1. Cibavit Eos, 2. Ave Verum, 3. Credo in Unum Deum; "Psalm XVIII, Marcello; Introduction, Air, Allegro, all from "The Westminster Suite," Purcell; "Carillon," Vierne.

The recital will be open to the public and all are cordially invited.

Auxiliary Police to Meet Monday

A general assembly of the Arlington Auxiliary Police Association will be held in the Hardy School next Monday evening at 8 o'clock. A selected group of AYA members, who have been taking classes in magic, will perform under the direction of Walter Taylor and John Spadaro.

Plans for the 1947 baseball season will be discussed.

Infant's Body Abandoned Here

Wrapped in a newspaper, the frozen body of an infant was found on the ice on Spy Pond Sunday morning.

The body was at the foot of the stairs leading from the Concord turnpike down to the shore of the pond, just below the Pleasant st. underpass, leading police to believe that it may have been abandoned by the occupants of an auto traveling over the turnpike.

A boy, who was skating at that end of the pond with other children, found the body and notified the police. The body was taken to police headquarters and later turned over to Dr. Guthrie of Medford, acting medical examiner.

Auto, Street-Car Crash in Centre

Passengers in a pleasure car and a Boston Elevated street-car escaped injury last Sunday afternoon when the vehicles crashed at Massachusetts ave. and Pleasant st.

According to police, the auto driven by Susie R. Barnes of Waltham was making a left turn from the avenue into Pleasant st. when it was struck by the street-car operated by John E. McCarthy of Charlestown.

—Mr. and Mrs. Olaf F. Ellertson, Jr., are motoring to Florida for a month's vacation.

State engineers are now making necessary surveys and it is expected that the construction of a center dividing strip on the Cambridge-Concord turnpike, at an estimated cost of \$100,000, will be carried out this year.

The strip will be 20 feet wide and will run from Pleasant st. to Park ave. It is one of the projects approved by the federal government under the Road Act passed for postwar work with the provision that the expense be shared equally by the State. In this case, the State of Massachusetts will share the cost and neither Arlington nor Belmont will be obliged to pay any part of it.

The project, which is expected to help considerably in reducing auto accidents on this section of the pike which runs close to residential areas in both Arlington and Belmont, is the result of a survey and recommendations made at a joint conference of Arlington and Belmont officials in 1944. At that time, the Arlington Selectmen and Police Chief Bullock suggested that better lighting be provided for this section of the turnpike. Conferences were held with Belmont officials and later with the State Commissioner of Public Works. New lighting was installed.

A safety island was also proposed at that time but no funds were then available for its construction. Present plans call for the widening.

Will Enlarge Gymnasium at Boys' Club

Plans have been drawn and some of the material has already been purchased and delivered to enlarge the gymnasium at the clubhouse of the Arlington Boys' Club on Pond lane. It is expected that actual construction will get under way within a few weeks.

The present ceiling will be removed to make the new ceiling eight to 10 feet higher. The stage will be razed to permit lengthening the gym by 15 feet. The playing court will also be widened by four feet. New walls will be of a material especially suitable for a gym. Modern gymnasium lighting will be installed and the floor will be completely refinished.

The work will coincide with the 10th anniversary of the founding of the Boys' Club which got its start in a garage building in Arlington Centre.

The remodeling will be done under the direction of the executive board and will be supervised by the House Committee, including Walter Kenny, chairman; Walter Richardson, Lester Cameron, James McAvoy and George Greim.

Short Circuit Starts Blaze

Fire, which officials said was caused by a short circuit in the electrical wiring, damaged the kitchen in the first floor apartment at 27 Varnum st., Friday night.

The apartment is occupied by George McManus and family, while the owner of the house is Albert Tuff of 68 Magnolia st.

Mrs. Stratton Elected President of Arlington Social Service League

A representative group of Arlington citizens attended the annual meeting of the Arlington Social Service League on Friday afternoon in the Robbins Library Hall.

The following officers were elected: Mrs. M. Norcross Stratton, president; Mrs. Russell T. Hamlet, vice-president; Mrs. Louis S. Chick, recording secretary; Mrs. Robert Moore, corresponding secretary; and Mrs. M. F. Morrissey, treasurer.

Richard Stimpson, J. Howard Hayes, Mrs. C. E. Johnson, and Mrs. Arthur R. Herrick were elected to serve on the board of directors for two years.

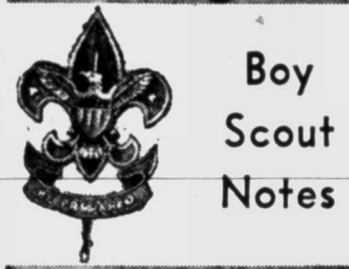

The financial report was given by the treasurer, Mrs. M. F. Morrissey, and a report of the year's work was given by the executive secretary, Miss Mary M. Greene.

The guest speaker, Malcolm Strong-Nichols, general secretary of the Boston Family Society, spoke on Modern Trends in Social Work.

Mr. Nichols traced the development of social work from its beginnings when the work was done largely by volunteers, and contrasted in giving relief to underprivileged families, through the years when schools of social work were being organized, and people were being trained as case workers.

At the present time, Mr. Nichols said, financial relief is largely the responsibility of towns, states, and the federal government, and social workers, through their training and experience, are becoming skilled in offering case work service to people with problems which prevent the maintenance of sound family life.

Such services are no longer offered to the underprivileged alone, but to any person in the community with personality problems which prevent their making a good adjustment to the home and the community. Mr. Nichols emphasized the fact that social agencies have a two-fold responsibility. First, to offer case work service to individuals and families, and second to join with other forces for the betterment of social and economic conditions.

Boy Scout Notes

Troop Nine Notes
Twelve Scouts of Troop Nine responded to a "hurry up" call to a surprise trip to the Boston "Y" swimming pool and a visit to Northeastern University last Saturday.

The battle for speed swimming supremacy of Troop Nine was continued from last year by senior patrol leader Albert Held and assistant patrol leader Charles Curtis when they vied for first honors in the final heat of a 25-yard swim which Curtis won by a hand's length in 15 3/5 seconds. The boys and their leaders saw Northeastern win from Lowell Textile at basketball.

Troop Nine's goal for Scout Sunday is 100% attendance at church services. A service will be held by Rev. Warren Bixby at the Church of Our Saviour for the majority of the boys and their fathers in the morning while the others will attend the church of their faith in uniform. The troop will attend the special Scout services in the afternoon that will be held at St. Agnes Catholic Church in Arlington and the Payson Park Congregational Church in Belmont at 8.

WELL DONE!—Martin J. Cullity of Arlington (right) is being congratulated by Col. Henry W. Bobrink, commanding officer of the Quartermaster Depot, on receiving the Meritorious Service award for his outstanding contribution to the Quartermaster Corps in World War II. Mr. Cullity served as engineer in the repairs and utilities division. (U. S. Army Signal Corps photo.)

On display will be the massive, illuminated Golden Arch of Scouting, which will serve as a background for a most impressive Tenderfoot investiture ceremony. Interesting exhibits of various phases of Scouting will also be presented. There will be games and demonstrations, and for further entertainment the troop has secured a sound movie in color.

A store window display next door to the troop meeting place will remain throughout Scout Week.

On Scout Sunday, Feb. 9, the troop will meet at 2:30 to attend the Councilwide Scout services, at St. Agnes Church for Catholics, and at Payson Park Congregational Church in Belmont, for Protestants.

Pack 83 Cub Notes
Pack 83 met Wednesday, Jan. 22, at the Hardy School with Cubmaster Parr presiding.

One of the most entertaining quiz shows seen hereabouts was conducted by Nelson Bragg, WCOP quiz master, who had games and a quiz for the Cubs and a quiz for the parents.

Warren Zwicker, chairman for Cubbing in Arlington, spoke briefly to the Cubs and their parents.

The boxing schedule for the Cubs follows:

Jan. 27	Den 1
Feb. 4	Den 6
Feb. 12	Den 5
Feb. 18	Den 2
Feb. 24	Den 7
March 4	Den 4
March 10	Den 3

Henry Lane presented awards to the following Cubs:

Bobcat Pins — Robert D'Auria, Gordon Shogren, John O'Shea, Eugene Black.

Wolf Badge — Charles Plummer, Bruce Spaulding.

Bear Badge — Philip St. Germaine, William Parr.

Gold and Silver Arrow — Charles Williams.

Lion Badge — Robert D'Apice.

Silver Arrow — Terry Moore, Paul LaJole, Paul Barnstein, Donald Finlayson, Charles Connell.

Gold Arrow — David McInnis, Raymond Coppinger.

In celebration of Scout Week, Feb. 7 to Feb. 14, Pack 83 will have on display various types of handicraft, the work of the Cubs, at the Yarn Shop, 186 Massachusetts ave., East Arlington. The motto of the Cubs, "Do Your Best," is fully lived up to. The public is invited to inspect their work.

Next Sunday afternoon at 2 o'clock, the Cubs will meet at the home of Leo Moore, 6 White st., and, weather permitting, will march to St. Agnes Church, where a special observance of Scout Week will be held.

Best wishes to Cub Scout Terry Moore who is recuperating at the Symmes Hospital from an attack of appendicitis.

Cub Pack 7 Notes
The progress of science was clearly demonstrated at the January get-together when the Cubs of Den 2 presented their own version of "Radar Reaches the Moon" for the entertainment of their pack-

Jesse Hutchinson Enrolls Eight in Arlington C. of C.

Jesse Hutchinson, Massachusetts candy maker, set a record Tuesday night when he proposed eight new members to the Arlington Chamber of Commerce.

They are:
Maurice J. O'Connor, bakery, 787 Massachusetts ave.; Owen W. Semple, plumber, 164 Massachusetts ave.; Oscar J. Stearns, Craft Products Company; Miss Jennie G. Marker, dry goods, 171 Massachusetts ave.; Anthony Quattrochi, Eastern Furniture Company, 175 Massachusetts ave.; Myer Goldstein, Lake Hardware Company, 169 Massachusetts ave.; Ralph J. Guanci, Quality Fruit, 618 Massachusetts ave.; and James J. Cokinias, Edward's Candy Shop, 148 Massachusetts ave.

In addition, Benjamin F. Hickey of Old Mystic st., was also accepted as a new member.

Top salesman Hutchinson was given a vote of thanks.

"Lionism" Topic of Club Meeting

Claude Cain, Lions International assistant secretary, spoke on "Lionism" at the dinner meeting of the Arlington Lions Club in Chestnut Hall Monday night.

The speaker brought out that Lionism had helped the blind, crippled children, war calls, the Red Cross and tuberculosis drives. He further stated that Lionism had sent representatives to the United Nations conference at San Francisco and at Paris to assist in shaping permanent World Peace. Today, more than ever, Lionism is helping to stamp out Communism in the United States, he said.

Mr. Cain added that there are more than 300,000 Lions in 18 countries at present and the presidents of five countries are members of the club, including President Truman. The speaker also told of plans for the 1947 International convention to be held in San Francisco in July. Turkey, he said, will probably be the next country to be chosen for Lionism.

King Lion Gov. Desmond called on Ray Morrill who spoke of plans for the international convention to be held in Boston in 1948. Plans for the Valentine party to be sponsored by the Lionesses on Feb. 21 were also discussed.

Charles Martigan was inducted as a new member of the Arlington club.

Several pieces of fire apparatus responded to an alarm for a fire in the boiler room at the Old Trading Post, 30 Mystic st., on Monday afternoon. Damage was slight.

Three Arlingtonians Receive N. U. Degrees

Three Arlington young men were among the 98 members of the mid-year graduation class who received their degrees at Northwestern University commencement exercises on Sunday.

They were:
James T. Pappas, 90 Marathon st., football, freshman year; served in Army, sergeant, 1942-46; bachelor of business administration, accounting; Warren Babb, 48 Chester st., a member of Gamma Phi Kappa, secretary and president of society for the Advancement of Management; worked at the Doelcam Co., Newton as an instrument technician and served in the Army Air Corps, 1942-45 as first lieutenant, bachelor of business administration, industrial relation; Walter J. Kronfelt, 215 Mountain ave., dean's list, sophomore and middle years; cooperative work at First National Bank of Boston, check teller; and Army Air Force, 1943-46, bachelor of business administration, industrial relations; and Richard S. Goodwin, 27 Hawthorne ave., dean's list, second, third, fourth and fifth years; cooperative work at Wirthmore Research Laboratory, Malden, laboratory assistant; service record, merchant marine, 1943-46; bachelor of science in the College of Liberal Arts, biology.

Arlington Woman In Voters' League

Arlington has no local League of Women Voters but many of its women, interested in the non-partisan organization whose aim is intelligent citizen participation in government, have already become active in neighboring Belmont's League.

Among local women who are now members of the Belmont League of Women Voters are Mrs. Frank J. Mehringer, Mrs. Irving W. Lovell, Mrs. Edwin R. Gilliland, Mrs. Lawrence P. Bliss and Mrs. W. V. Widder.

Many Arlington women's interest is sufficiently keen to take them to League study groups, neighborhood discussion meetings, lectures and luncheons sponsored by the League. Mrs. Max Knobel, Mrs. Roy Freed, Mrs. Robert C. Strong, Jr. and Mrs. Rodney Robertson have attended league events.

The question of equal pay for men and women teachers, was the topic Monday evening and Tuesday morning and afternoon at the Neighborhood Discussion Groups.

TO HOLD PENNY SALE

A penny sale to aid the Stigmatine Fathers of Waltham in their work of training young men for the priesthood will be held in Legion Hall next Thursday evening at 8.30. A large committee of Arlington friends has planned the event.

BUILDING FOR TOMORROW

The Boy Scouts of America, now numbering 1,980,000, will observe the 37th anniversary of the organization during Boy Scout Week, beginning today.

For Arlington Scouts, Boy Scout Week this year has special significance since it coincides with the 25th anniversary celebration of Sachem Council, of which Arlington is a part. Twenty five years ago, Sachem Council was incorporated with Arlington as the only district. Since then other communities have joined the Council so that today it boasts a membership of close to two thousand Scouts.

The good that is being done in Scouting is not confined to a community, a district or even a country—indeed, it is world-wide. The sun never sets on the Boy Scout nor on his "Good Turn" and cheerful smile. Organized in 51 nations around the world, Scouting today has 4,413,139 boys and leaders on its membership rolls.

The Boy Scout Movement has been adjudged one of the most potential factors in the promotion of world peace. Its great influence in international friendship and good-will has been constantly furthered by Scout Jamborees, visits and correspondence across the seas.

In more recent years it has seen examples of world-wide helpfulness. For instance, the Boy Scouts of America, has a World Friendship Fund of voluntary gifts by its members. Thus far over \$110,000 has gone to help Boy Scouts in 32 nations overseas rebuild their units. In addition 400 cases, or twenty tons, of Scout Uniforms and equipment given in the Scout's own "Shirts-Off-Our-Backs" campaign have gone to Scouts of 13 lands.

These international aspects of the Boy Scouts are worth examining. The Scout Oath and Law, with slight variations in different countries, are known the world around. Scouting has promoted international good-will and friendship by emphasizing those points which nations have in common, not their differences. The Scout program is based upon activities that are fundamental to boyhood the world around. Camping and life in the open attracts all boys, regardless of the language they speak.

On this anniversary, we salute the "Scouts of the World—Building for Tomorrow," and congratulate Sachem Council on its Silver Anniversary.

WHAT DO YOU BELIEVE?

"It isn't important what we believe, but how we express those beliefs that matters." "It isn't so much what we do, but what we are." These are two copy book sayings that have been repeated and repeated in various forms. And they have been twisted to apply to almost every situation.

Personally, I feel they are wrong. It does matter what we believe as much as it does how we express those beliefs. It matters as much what we do as what we are. But what is most important of all is the motive power back of both thoughts and actions.

What doesn't matter is not what happens to us—but whether what we do is important to be done. We may be personally defeated, but our principles never, a great thinker once said. The truly important thing in this world is not so much where we stand as in what direction we are moving.

Where we go wrong—in our own lives, in our national lives, in our everyday responsibilities is in not trying out actions to a high enough motive. We act on expedience, not on principle. We compromise—not with things, but with our own beliefs, with our own conscience. We dodge responsibility, we evade issues, and the truth eludes us, because of our own weaknesses.

Here's an example. We say that one of the great principles in American life is the denial of absolute sovereignty. Is it? Or, rather, is it put into effect? Just try denying the absolute sovereignty in "efficient" organizations and see how far you get. Did you ever try not "going along with the boys"?

What we should have said was that this is a motive power—and then try to put it into practice.

All life proceeds from beliefs of some kind. The question is not—shall we have beliefs? But—what beliefs have we? Are they a vital part of our every day life? Are we better for our beliefs? Do they help us to help those whose paths our path crosses? Unless we can answer in the affirmative our beliefs are vain.

What do you believe—and how do you live up to your beliefs?

—Ruth Taylor.

The NEWS OBSERVES

The NEWS has gone to some length in this issue to shed as much light as possible on the articles which will appear in the warrant for the annual town meeting. Undoubtedly more information will become available before the town meeting. Committees or individual citizens are invited to present their views on any matter in which they may be interested; we'll be glad to print them so that everyone may be informed.

The Scouts are not the only Silver Jubilee celebrators this week. The Arlington lodge of Elks is celebrating its 25th anniversary with a three-day program starting tonight with a public dance at Robbins Town Hall. Congratulations, Arlington Elks!

With building materials still scarce and new homes very much needed, the Park Commissioners, who now plan to raze the Robbins homestead, should find it simple and inexpensive to have the building removed once the Town Meeting members give their approval.

Spring's first appearance for 1947 in Boston is only a month away. On Monday, March 10, more than a million bulbs, plants, shrubs and trees will be in full bloom at the 76th annual New England Spring Flower Show of the Massachusetts Horticultural Society at Mechanics Building.

Behind this show is a year's planning by the show staff, headed by Arno Nehrling. One feature of the show—a Vermont covered bridge under which a stream splashes, a stream coming from the waterfall and running through banks bright with wild flowers—was first of all drawn on paper. Then a scale model was made of plaster, putty and rubber sponge. Then lists of the needed plants, the masons and the carpenters who will build the waterfall, the stream, the river banks and the bridge. And the Vermont Bridge is but one of the 140 displays which make up this year's Show.

Parmenter PTA to Hear Principal

Mrs. Elsie Meserve, principal of the Junior High Industrial Arts School, will speak on "Arlington's School of Citizenship" at next Monday evening's meeting of the Parmenter School P.T.A. Joseph Borghetti, trombonist, will entertain.

NEW BUILDING PERMITS

Building permits have been issued to William Pierce for two new single-family homes on Ridge st., and for two on Oak Hill drive. The Ridge Construction Company also received permits this week for singles at 59 and 63 Edgell hill road.

Thomas A. Edison Centennial 1847-1947

THOMAS ALVA EDISON
Inventor and Benefactor
1847—February 11—1947

He illuminated the path of Progress and lightened labor for mankind.

"My message to you is—Be courageous. I have lived a long time. I have seen history repeat itself again and again. I have seen depressions in business. Always America has come out stronger and more prosperous. Be as brave as your fathers before you. Have faith. Go forward."

Mr. Edison's last public utterance, June 11, 1931

School Board View on Equal Pay Is Opposed by Teachers' Club

The Arlington Teachers' Club, in "an open letter to the citizens of Arlington," this week took issue with the School Committee's adverse opinion about men and women teachers in the local school system.

The teachers' letter follows: "In last week's NEWS, there was an article from the School Committee regarding teachers' salaries. Apparently this has led to some confusion as to actually what the teachers have accepted. It is true that they have accepted the \$400 offered as a salary increase.

"The confusion seems to arise from the belief that the teachers have accepted the adverse opinion about equal pay for teachers. The teachers have not accepted this view and are going to work for

the establishment of equal pay in the March election. We shall have more to say about this later.

"Some people do not know exactly what this law states. In order that everybody may understand this, we should like to publish this law as it stands on the statute book:

Chapter 71, Section 40, 'women teachers employed in the same type of work with the same preparation and training as men teachers shall be paid at the same rate as men teachers.'

A Higher and Nobler Courage

Personal or private courage is totally distinct from that higher and nobler courage which prompts the patriot to offer himself as a voluntary sacrifice to his country's good.

—Henry Clay.

The Barnes Bill

To the Editor of The Herald:

At the last election the rank and file of labor, as well as the people generally, overwhelmingly supported the so-called Barnes bill, which provided that unions shall report to the commission of labor and industries, on forms provided by the latter, their receipts and expenses. The bill became a law on Dec. 5, 1946, and already a few legislators have introduced bills which, if passed, would seriously interfere with the purpose of the law or destroy the very objectives for which it was enacted.

Rep. Burke's bill provides for the outward repeal of the law and substitutes therefor the creation of a commission "to study" the problem, as if the people had not considered it enough!

Rep. Shattuck's bill provides, among other things, that only the aggregate amount paid in salaries to union officials rather than the individual salary to each, be reported. Thus, if a president of a union receives \$25,000 per year and the treasurer and secretary each receive \$2500 per year, if the aggregate amount of the salaries only were reported of these officials, a fair inference would be that each receives \$10,000 per year, which in fact would not be true.

Atty-Gen. Clarence A. Barnes has stated that he would like to see the law at work for at least a year, and based upon that experience he will be the first to suggest changes in the law if the situation warrants it. What can be fairer than that?

Hearings are going to be had on the proposed changes at the Gardner Auditorium, State House, Boston, on Thursday, Feb. 6, 1947, at 9:30 a.m. The proponents of these

ills to destroy the plain wishes of the people will be able to corral any who seem to be in favor of these changes.

Those citizens who feel that the will of the people should not be so easily trampled upon so soon after their expressed desire should also appear at the Gardner Auditorium next Thursday, so that they can at least be counted, if not heard, and so that the proponents will not have the temerity to go ahead with their project to destroy what has

been so solemnly enacted by referendum over the wishes of a Legislature which showed itself at least in this particular instance to be unresponsive to the will of the people.

Boston. MICHAEL A. FREDO.

C. of C. Speaker Sees No Big Income Tax Cut

Despite talk of sharp decreases in the present Federal Income Tax, a straight 20 per cent across-the-board cut in the current tax schedule is not advisable, nor is it likely at a time when the country is fairly prosperous and most people are employed, Thomas A. Kearns, deputy collector instructor of the Internal Revenue Department told the Arlington Chamber of Commerce Tuesday evening.

The members and guests who filled the Arlington Academy of Music hall to capacity heard Mr. Kearns deliver one of the most interesting and enlightening talks ever sponsored by the Chamber. Equally interesting was Lt. Thomas H. Murphy, USMC, veteran of overseas service, who spoke in behalf of the American Red Cross drive starting soon.

Mr. Kearns reviewed the history of the Income Tax law which was passed in 1909 and finally ratified in 1913. Up to that time, the United States government had been supported through tariffs, custom levies, etc. The first World War changed the picture considerably, however, and since then the cost of running the government has mounted steadily.

World War II made it necessary to increase the Income Tax rate

sharply. Today, said Mr. Kearns, the U. S. debt stands at 160 billion dollars, the highest on record. This debt must be wiped out eventually. Since the government has never repudiated a debt, the only alternative is for all to pay their share in paying off this debt, the speaker thought out.

Drawing a vivid picture of the Pearl Harbor attack, Mr. Kearns reminded his audience that when the last war broke out, the United States was unprepared, and the country actually feared invasion by the enemy. Then and there, this country determined to go "all out" to provide the young men who waged war with everything they needed to bring about victory. Admittedly, some of the money was spent recklessly, but our homes were protected and made safe.

Mr. Kearns said, "Isn't it worth paying this debt? Therefore, we should try now to unburden our country and those who fought for it. For this reason, a straight 20 per cent across-the-board slash in the Income Tax is not advisable nor likely at the present."

Referring to the anticipated rise in the real estate tax rate in all communities, the speaker suggested "that this will mean that much more for you to deduct from your income tax, if that's any solace to you."

Showing a thorough knowledge of every phase of filing income tax reports, Mr. Kearns then explained

the forms now in vogue, taxable income, exemptions, etc. A lengthy question period followed during which the speaker answered clearly all questions fired at him.

Mr. Kearns, among other things, explained that a man and wife may file a separate return one year and joint return the next. Those using the long form may deduct the State tax paid on gasoline. Funeral expenses cannot be deducted under the item for medical expenses."

Red Cross Aiding GI's

Lt. Murphy in his appeal for the Red Cross brought out that approximately 75 per cent of the Red Cross funds will be allocated this year for services to Army and Navy personnel, veterans and their families. He explained that the Red Cross has field directors in all Veteran Administration offices to aid veterans file legitimate claims, and 97 of the 115 veterans hospitals where recreational programs are carried out. The leisure time that servicemen overseas now have makes the work of Red Cross field directors even more important today, Lt. Murphy added.

"More than 2,000,000 men and women are still in uniform. Many are on occupational or garrison duty in far-flung corners of the globe. To all of them Red Cross services are continuing—in camps, in overseas clubs, in hospitals, and in home communities. Nearly 6,000 Red Cross men and women are still serving with the armed forces."

He concluded, "your contribution is really an investment to aid the men and women who are depending upon you for mental and physical help. If you look upon it this way, I know you'll give willingly."

Walter C. Gutzman presided over the business meeting which followed dinner. He introduced Benjamin F. Hickey, prominent member of the Cambridge Chamber of Commerce who has offered to advise the Arlington Chamber during the coming membership drive and plan to enlarge the Arlington program on a most ambitious scale.

Mr. Gutzman announced that a questionnaire would be sent to all members in the near future and urged full and early reply to the queries so that the work of the Chamber may be as effective as possible. A special committee, headed by Charles B. Perham, is making up the questionnaire.

Stores to Close Feb. 22

On motion of John W. Znamkier, it was voted to recommend that stores close on Washington's Birthday, Feb. 22.

Mr. Gutzman announced that a movement has been launched by a group of Arlington people to seek better service from the Boston Elevated and that a petition is now being circulated. He urged all to sign the petition which will be accompanied by a letter setting forth precisely the improvements sought when it is presented to the Boston Elevated in the near future.

News Briefs

John F. McCormack of 8 Field road and James W. Garnet of 948 Massachusetts ave. have joined the Arlington Kiwanis Club. A sound color movie, "Adventures in Breadlam," was presented by the bakers of Life Bread at yesterday's meeting.

Takouhi Chorbajian, 59 Adams st., student at the New England Conservatory of Music, will be assisting soloist at the Conservatory Orchestra Concert in Jordan Hall next Thursday evening at 8:15 p. m. She will play the first movement of the Schumann Concerto for piano and orchestra in D minor. Miss Chorbajian will also give a pianoforte recital in Worcester, Feb. 16.

Robert J. Myers, Jr., Y/3c, of 10 White st., is enjoying a 15-day leave from his duties aboard the United States Coast Guard Cutter Jackson, stationed at Charlotte Amalie, St. Thomas, Virgin Islands. Bob arrived home early Sunday morning via plane from New York to Boston. He flew Pan American from St. Thomas to San Juan, Puerto Rico, and then non-stop San Juan to New York.

Karen and Michael Keating, children of Capt. John S. Keating of 4 Brantwood road, is attending one of the primary grades in the newly-established American School at Tsingtao, China, reopened through the efforts of Naval personnel who had brought their dependents to China.

The current nation-wide campaign for Anatolia College is of particular interest to Mrs. Wilson D. Clark of 25 Peabody rd., who has for many years been concerned with the work of the college. Anatolia is an American college operating under a Massachusetts charter in Salonica, Greece. A campaign in which New England will raise \$200,000 is now under way for expansion and rehabilitation of Anatolia. The national goal is one million dollars.

● CAST IRON LAVATORY WITH MIXING FAUCET

Heavy cast iron body with glistening white vitrified porcelain enamel. Complete with mixing faucet and strainer. Trap not included. **27.95**

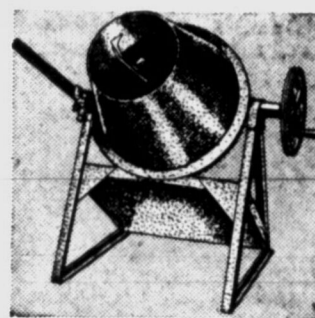

● DAMPER REGULATOR WITH THERMOSTAT

You get the heat you want without working for it! Thermostat, damper, motor, cable, chain and pulleys included. Easily installed. **13.50**

● CONSERVE FUEL WITH FUELMIZER

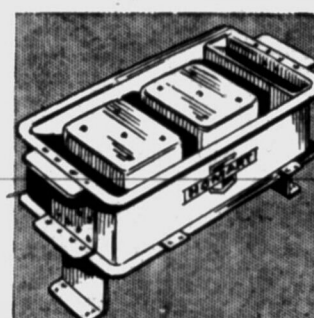

Fuelmizer is installed in your chimney pipe and utilizes chimney heat which would otherwise be wasted. Blower conveys heat as desired. **39.95**

Reg. 49.95

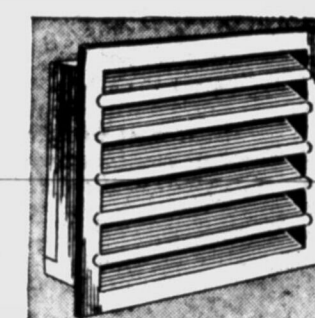

Utility Mixer

Has Many Uses **44.95**
Pressed steel drum of 3 cu. ft. capacity for mixing feed, concrete, fertilizer. Has handle for hand operation. Use with motor, too.

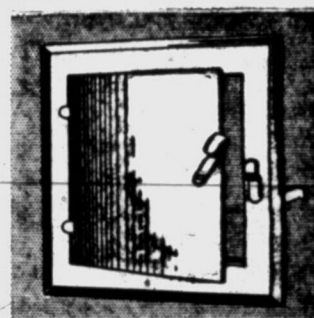

Concrete Block Mold

Laboratory Tested **7.75**
Economical! Time Savin! Makes block in less than a minute. Anyone can operate it. All steel construction. Complete instructions included.

Homart Louvres

Heavy Steel **1.35** 8x8"
Provides ventilation of closed spaces. Improves efficiency of insulation. Made of shell steel. Fitted with screen. Easily installed.

Steel Cleanout Door

8x8 Inches **1.08**
This sturdy Homart cleanout door gives convenient access to base of your chimney. Equipped with hinges, fastener. Dark gray color.

Socket Wrench Set

Craftsman **12.30**
17-piece socket set of finest quality "Super-Tuff" steel. Heat treated and hardened for durability. All parts guaranteed against defects.

Dunlap Bench Vise

360° Swivel **4.98**
Actually turn in complete circle, locks in position. 3 1/2-inch steel jaws open to 4 1/2-inch. Snug fitting steel beam slides easily. Red finish.

Lever Jaw Wrench

10-Inch Size **1.79**
Handiest tool in your workshop. Use as pliers, pipe wrench, clamp. Forged steel jaws, milled teeth, give 1000 lb. rip.

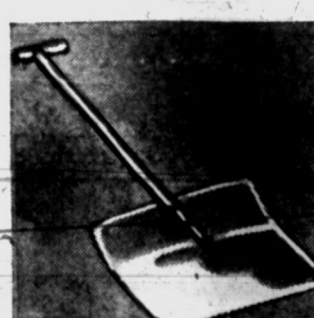

Craftsman Brace

Rugged, Efficient **3.75**
Does the job easier, faster, cleaner, with less effort. Holds all square shank drills, 1/4 to 1/2-in. round shank drills. Heavy steel frame.

Single Bit Axe

3 1/2 lb. Head **2.45**
Dunlap quality. Head and bit forged from "Super-Tuff" steel, heat treated to hold a keen edge. Securely wedged 36-inch hickory handle.

Strong Snow Shovel

Aluminum **2.89**
An unusually light shovel, because it's all aluminum. Saves your muscles and back. Blade is firmly riveted to the tubular handle.

Linoleum Lacquer

Easy to Apply **1.25** Qt.
Linoleums are asier to clean and stay bright and new looking with a coat of lacquer. Dries in 30 minutes. Quart covers 10x12 foot floor.

Paste Form Re-Kote

Master Mixed **2.59** Gal.
Gives ceilings and walls a beautiful flat finish. Widely used over kalsomine. One coat covers. May be tinted any desired color. Easily applied.

Town Warrant

(Continued From Page One)

A salary increase of \$400 for all school teachers has already been voted by the School Committee.

The first four articles in the warrant which contains 36 articles, call for election of town officials, certain appointments, reports of committees, and the appropriation of money to pay the Town's share for the maintenance of the Middlesex County Sanatorium. Article 5 calls for appropriations requested under the various department budgets and is expected to require more than one session of the town meeting before it is fully considered.

The matter of increasing salaries or providing special compensation to meet the cost of living will be brought up immediately following the above article. The exact amount by which salaries are to be increased has not been stated and it is reported, has not been determined exactly. The article, as it will appear in the warrant, reads:

"To see if the Town will make an appropriation to provide funds to enable the heads of departments to increase the rate of compensation for services rendered and labor performed, or to provide special compensation for elected and appointed officers and employees of the Town exclusive of school teachers; determine in what manner such funds shall be raised and expended; or take any action relating thereto."

The subject was brought up at the request of a group of voters. To Widen Massachusetts Ave. Under Article 13, an appropriation will be requested for the relocation, alteration and widening, as well as the construction of Massachusetts ave., westerly, from Lowell st., to the Heights car barn. The State has already allotted \$29,000 for this work, with the understanding that the County and Town are to match this amount with an additional \$14,500 each. Last year, the Town appropriated \$11,000 towards this project. It is understood that \$7,000 more will be requested at the March meeting, making a total of \$18,000 to be spent by the Town. The difference between this amount and the \$14,500, which Arlington will contribute for the actual road widening and construction, will cover the cost of relocating fire and police signal boxes, street-light poles, etc. No land takings will be necessary and it is hoped to do the work this year, the NEWS was told.

May Increase Pensions
The town meeting members will be asked to accept a Legislative Act authorizing increases in the amounts of pensions payable to certain former public employees who have been retired. If approved this would provide 20 percent increases in pensions for those receiving less than \$1,000 annually.

What appears to be an effort on the part of the Finance Committee to bring about salary adjustments to the satisfaction of all concerned is hinted in Article 17 of the warrant which reads:

"To see if the town will vote to appoint a committee to investigate the entire questions of salaries and wages for all employees of the town, including the schools; recommend a just and

equitable schedule of salaries and wages and such action as necessary to establish such schedule; appropriate a sum of money for the use of said Committee; determine in what manner the money shall be raised; or take any action relating thereto."

The question of providing voting machines in Arlington's 14 precincts will be considered under the next article inserted by the special committee appointed by the Moderator to study the advisability of installing such machines in Arlington. The committee, headed by Atty. John L. Murphy and including Town Clerk Earl A. Ryder, has been studying two types of machines approved by the State Ballot Law Commission and will present its report to the meeting.

The committee has voted unanimously to recommend the purchase of 70 machines to equip all voting places in the Town. Chairman Murphy told the NEWS. This number is considered sufficient to take care of the Town's needs for at least five or 10 years, even assuming that the number of registered voters jumps to 28,000 from the present 22,000. Should the meeting approve the committee's recommendations, the machines, according to law, would have to be purchased by either the board of Selectmen or a new committee according to Mr. Murphy.

The meeting will be asked to approve the appointment of a committee to secure plans for the proposed new elementary school in the Mystic side section on land purchased by the Town last March for this purpose.

The School Committee will also ask for the appointment of another special committee to procure architectural and engineering advice relative to future school construction.

The Park Commissioners will seek an appropriation for the purchase of a lot of land on Margaret st., adjacent to Thorndike st., to enlarge the present playground there. A transfer of a Town-owned parcel of land on Margaret st., for playground purposes will also be sought by the commissioners.

The same board will request appropriations for the grading, etc., of Florence Ave., playground and a portion of the Thorndike st., playground and the Summer st., playground.

The Park Commissioners will also propose certain improvements on the Robbins Farm, under Article 25, in which an appropriation will be sought for the removal of the Robbins homestead and the grading of a portion of the land. The large home has been unoccupied since the town purchased the farm for parks and playground purposes and the article would indicate that any thoughts of restoring the building to some useful purpose in carrying on the Town's recreational activities has been abandoned.

Article 24 Proves Puzzle
Article 24 in the warrant appears to confirm rumors that the Park Commissioners had given serious thought to taking over the AYA baseball league which has been successfully sponsored by the Arlington Auxiliary Police, organizers of the league. The article reads:

"To see if the Town will accept the gift of certain uniforms and equipment from the Arlington Auxiliary Police Association, Inc.; will authorize the proper authorities to request legislation from the General Court to expend money in relation thereto; make an appropriation therefor; determine in what manner the money, if any, shall be raised and expended; or take any action relating to any or all of the foregoing."

There is reason to believe that the article was inserted in the warrant some time ago but that since then members of the Auxiliary Police have unofficially indicated that they propose to continue to sponsor the boys' league. It is quite likely that no changes will be made in the present setup.

The Cemetery Commissioners will seek an appropriation for the purchase, by eminent domain or otherwise, of a portion of land at the rear of 95-97 Mystic st., adjacent to Mt. Pleasant Cemetery, for the purpose of extending the cemetery.

Appointment of a special Town committee to investigate and study the advisability of adopting another form of Town government, possibly Plan E, or of making any reorganization of town departments "that would afford a more unified, efficient and economical administration of executive functions and

Roger Babson's Column

(Continued From Page One)

weak people out of the market and theoretically should prevent too severe market breaks.

5. Banks now pay no interest on checking accounts and only 1 1/2% on savings accounts; while Governments average less than 2 1/2%. Hence, to get from 3% to 4% one must buy stocks. This should tend to stabilize safe income-paying stocks.

6. The monthly purchases by Investment Companies amounting to \$50,000,000 should be a market stabilizer. This, however, is only about 5% of the total monthly N. Y. Stock Exchange transactions.

7. Corporations whose securities are listed on the N. Y. Stock Exchange have the greatest cash reserves in their history—huge sums. Many have also large backlogs of unfilled consumer orders.

8. Wage increases will give the masses more spending money. This especially should help merchandising companies.

9. President Truman can balance the Federal Budget in 1947-48 if he so desires and could also reduce taxes. This should stabilize the markets and restore much confidence. The only uncertainty would be a severe draught or a very bad foreign situation.

10. The improved political outlook. The new Congress is determined to reduce expenses, cut income taxes, and amend the labor laws to treat fairly all interests. There may never be a real solution to the labor problem; but Congress can very much improve the present unfair situation.

Conclusions: Considering these ten reasons for higher stock prices, why does the market continue to drift around? Why are people now timid to buy for permanent investment and income? Millions would be content with a fair rate of interest with safety, irrespective of whether the market goes up or down, were it not for some hidden reason which I now will explain.

Strikes—Communism—Morals
We have witnessed the use of old-fashioned brute force in the settlement of political and labor disputes. It is this revived use of force, now apparent all over the world, which is frightening investors. Even Communism—as an economic philosophy—might not be feared if the Communists were willing to leave the question to the free vote of the people. But they use force. In fact, Communism is merely enforced Socialism, the same as Fascism is enforced Capitalism. Russians blame me for talking about the possibilities of World War III and questioning the success of the United Nations; but if labor, management and politicians cannot get along in this country peacefully, and leave decisions to the courts, how can we expect over 50 different races to unite and do so?

"Juvenile Delinquency" which really should be known as Parental Delinquency is undermining confidence. Parents are responsible for the filthy picture shows, with their jungle dances; and low stuff that was not even allowed in saloons a decade ago. We parents are responsible for the bad radio programs from which our children learn of the underworld doings of gangsters, cowboys and petty burglars. Even our magazines, in their stories and illustrations, appear to be lowering their standards by featuring drinking, carousing and the like. Modern "art" does not bother me, but with "sensible" people buying such crazy pictures it is not surprising that too many conservative investors are bearish on everything!

equitable schedule of salaries and wages and such action as necessary to establish such schedule; appropriate a sum of money for the use of said Committee; determine in what manner the money shall be raised; or take any action relating thereto."

The question of providing voting machines in Arlington's 14 precincts will be considered under the next article inserted by the special committee appointed by the Moderator to study the advisability of installing such machines in Arlington. The committee, headed by Atty. John L. Murphy and including Town Clerk Earl A. Ryder, has been studying two types of machines approved by the State Ballot Law Commission and will present its report to the meeting.

The committee has voted unanimously to recommend the purchase of 70 machines to equip all voting places in the Town. Chairman Murphy told the NEWS. This number is considered sufficient to take care of the Town's needs for at least five or 10 years, even assuming that the number of registered voters jumps to 28,000 from the present 22,000. Should the meeting approve the committee's recommendations, the machines, according to law, would have to be purchased by either the board of Selectmen or a new committee according to Mr. Murphy.

The meeting will be asked to approve the appointment of a committee to secure plans for the proposed new elementary school in the Mystic side section on land purchased by the Town last March for this purpose.

The School Committee will also ask for the appointment of another special committee to procure architectural and engineering advice relative to future school construction.

The Park Commissioners will seek an appropriation for the purchase, by eminent domain or otherwise, of a portion of land at the rear of 95-97 Mystic st., adjacent to Mt. Pleasant Cemetery, for the purpose of extending the cemetery.

Appointment of a special Town committee to investigate and study the advisability of adopting another form of Town government, possibly Plan E, or of making any reorganization of town departments "that would afford a more unified, efficient and economical administration of executive functions and

public services will be requested under Article 33. The article was proposed by a group of independent voters. The Finance Committee will hold a hearing on this next Monday.

The Town will be asked to accept an Act of the Legislature to provide a 70-hour week for firemen under another article in the warrant.

Appropriations to provide headquarters for Arlington post 1775 Veterans of Foreign Wars and the Lt. Stanley G. Benner detachment of the Marine Corps League of Arlington will be requested.

Appropriations will be requested for extensions of water mains and and storm drains for the construction of sidewalks and edgestones, and for the extension of the sewerage system.

An appropriation for the use of the Committee on Advanced Programming and Budgeting will be sought.

The Board of Health will ask the Town to indemnify Dr. Carl E. Barstow and Dr. Ernest R. Brooks for services rendered to the Town during an emergency.

One zoning amendment will also be voted on after the Planning Board has made its report.

The warrant was drawn up by the Board of Selectmen after all articles had been presented. It is now being printed and copies will be delivered to every home late this month.

The Finance Committee has been in regular session studying each article and holding hearings on several. Its work on the annual warrant is still going on and its recommendations will be made known before the date set for the first session of the annual meeting which promises to be as interesting—if not more so—than those held here in recent years.

Baptist Men to Honor Scouts

Next Sunday, the Men's Class of the First Baptist Church will observe National Boy Scout Sunday at its noon meeting.

Maj. John H. Taylor of the Army Air Forces will be featured as the special speaker. Troop 6 and Ex-

MAJOR JOHN H. TAYLOR
Men's Class Speaker

plorer Post No. 6 will be the honored guests of the Men's Class. Scouts of Troop 6 will also participate in the program.

Recognizing the Air Scout program of the Boy Scouts of America as a significant medium through which to further the Army education of American youths, the U. S. Army Air Forces have assigned 13 Army officers as Air Scout Liaison Officers to serve as consultants in the extension of Air Scouting throughout the United States. Major Taylor, who is a graduate of Yale University and has served as Air Force training officer and pilot and as Commandant of Air Station at Langley Field and Fort Niagara, is one of the 13 officers and has been assigned to Region 1, which includes this area. Major Taylor's subject will be "Scouting Knows No Boundaries."

600 Hear Uncle Elmer
Last Sunday evening, the Men's Class welcomed nearly 600 people in the church auditorium of the First Baptist Church in the evening service led by Uncle Elmer and his Song Circle. William H. Rule, Jr., the class president, presented Uncle Elmer. Rev. Nathan W. Wood, pastor of the First Baptist Church and teacher of the Men's Class, opened the service with the invocation and pronounced the Benediction. The audience included visitors from several Arlington churches and churches in surrounding cities and towns.

At the regular noon session of the Men's Class last Sunday Rev. Mr. Wood spoke on the "Dangers of Compromise." The scripture was read by Herbert O. Alderson, who is the leader of the Blue Team of the Men's Class. At the close of the meeting the 12th issue of "The Broadcaster" was distributed. The Who's Who column included personal items on four new members, Richard Churchill, Philip Hjort, Henry H. Hathaway and Andrew A. Skilling. "The Broadcaster" also called attention to one of the outstanding Men's Class events of the year, the Valentine Banquet and Minstrel Show to be held on Feb. 18 in cooperation with the Women's Fellowship.

public services will be requested under Article 33. The article was proposed by a group of independent voters. The Finance Committee will hold a hearing on this next Monday.

Rotarians Hear Rev. Mr. Mark

Rev. John Nicol Mark, as principal speaker at the luncheon meeting of the Arlington Rotary Club on Wednesday, paid an impressive tribute to Paul Harris, founder of Rotary International, who died last month.

The speaker recalled the first Rotary Club founded in Chicago 42 years ago by Paul Harris and three businessmen who met regularly for lunch. Today, Rotary International boasts 6000 clubs the world over. The first club was founded on Feb. 23, the Arlington minister and Rotarian brought out during his address on Rotary history and ideals.

PARKERS FACE TAG LIMIT

Police Warn Violators Of License Loss

The cards (and cars!) are stacked against you when you drive to Boston.

500 parking violators get tickets every day. You may be next.

Why risk a fine; a trip to court; as well as the loss of your driving license! Take the train. It's dependable, economical and convenient.

Free parking for train patrons is available at most suburban stations.

El Again Reports Assessable Deficit

Announcing an assessable deficit of \$787,527.89 for 1946, the trustees of the Boston El Railway, in their annual report filed with the Legislature Thursday, stated that a serious financial problem faces the railway because of the non-payment of deficits aggregating \$3,652,573.73 outstanding since 1941, and because of the railway's operating loss of \$2,751,306.52 in 1946. Arlington is among the communities that must help make up this deficit, through real estate and personal property taxation.

The trustees made known that profit and loss adjustments of \$1,864,683.98 and the balance of \$99,094.65 remaining in the reserve fund were applied to the operating loss, resulting in the assessable deficit of \$787,527.89.

The chief adjustment making possible the reduction in the deficit arose from the decision of the Supreme Court on Jan. 6, holding exempt from local taxation certain parcels of real estate in Boston which the railway had taken by eminent domain. The trustees stated that taxes which were abated by this decision, together with taxes for later years upon the same parcels involved in the decision, totaled with interest to \$1,394,256.44 and reduced the assessable deficit by that amount.

Speaking of the financial problem facing the railway, the trustees stated that "unless the deficits are paid or unless legislation is adopted whereby the railway can borrow money up to the amount of these deficits, payments of substantial obligations falling due in 1947, such as subway and tunnel rentals or interest on railway bonds held by the Boston Metropolitan District, will have to be postponed."

The trustees pointed out that in 1947 the railway will be obligated to pay a total of over \$5,000,000 to the District for interest on bonds of the railway held by the District; to the City of Boston and to the Commonwealth of Massachusetts for subway rentals; to the cities and towns served for taxes on real estate, personal property and motor vehicles; and to the State for miscellaneous taxes.

The trustees stated that interest payments which will be due to the District upon railway bonds in 1947 will amount to \$3,658,580.82. In this connection, they stated that "if relief is not afforded by the payment of the outstanding deficits or by legislation enabling the railway to borrow money up to the amount of these deficits, and the railway is therefore unable to pay the District any interest payments as they become due, then the cities and towns in the District will have to include in their tax levies an amount sufficient to meet the interest on railway bonds held by the District."

The trustees stated that they have attempted to improve the railway's cash position by seeking to borrow money for temporary use but that they "were unable to do so because of the non-payment of the outstanding deficits."

In a further endeavor to improve the railway's cash position, the trustees said that they have petitioned the present Legislature that authority be granted to the Boston Metropolitan District whereby the District could loan money to the railway up to the amount of the unpaid deficits. The trustees pointed

ed out that legislation of this character would increase the railway's cost of service by the amount of interest on any money borrowed by the District and loaned to the railway.

"We are of opinion," said the trustees, "that a better way to meet the present financial crisis of the railway is for the Commonwealth of Massachusetts to pay the outstanding deficits due since 1941 and the deficit incurred as a result of 1946 operations. In our opinion, there is no risk to the Commonwealth of Massachusetts or to those cities and towns served in this procedure since the railway has assets in road and equipment with a book value of approximately \$110,000,000. It would seem that payment of the outstanding deficits could be made without prejudice, thus leaving the way open, when there is a final determination of the legal procedure, for adjustments, if any, that may be required by court decision."

The payment of the 1941 deficits at this time, said the trustees, would not increase the taxes of the cities and towns in 1947 since these deficits were raised by the cities and towns several years ago and have not been paid over to the State Treasurer pending the approval of the Governor and Council of a warrant authorizing the payment of the deficits.

The trustees pointed out that payment of one obligation, the 1946 local real estate taxes, was postponed. As to these taxes, amounting to \$683,890.15, the trustees said that "the cities and towns in the area served are fully protected because the railway is required to pay interest thereon at four per cent from

October 1, 1946 until the taxes are paid." The trustees stated that as further protection the cities and towns have a lien upon the real estate of the railway which has a value of many millions of dollars. The trustees thanked the public authorities and tax collectors "who showed an understanding of the condition which necessitated the postponement of the payment of the 1946 local real estate taxes" and said that the "amount of taxes due to each city and town will be paid with interest as soon as the cash position of the railway permits."

The year 1946, according to the trustees, established a "new all-time high in the number of revenue in cost of wages, \$455,933.91 increase in cost of material and other items; \$309,899.92 increase in charge for injuries and damages; \$88,546.81 increase in the charge for depreciation; and \$34,556.64 increase in the cost of fuel."

The cost of wages increased, stated the trustees, because more employees were needed as a result of the shorter work week and in order to operate the additional service, and because of higher wage rates.

The trustees made known that during the year, 105 new buses and 38 P.C.C. cars were received and that as of the end of 1946 there were still on order 175 buses and 153 trackless trolleys.

The trustees stated that for the most part materials and supplies were more readily available in 1946 than previously but that shortages continued in repair parts for buses, street cars and trackless trolleys.

So that soldiers near the front lines may be served with fresh foods the Quartermaster Corps is redesigning refrigerators to make them lighter, more serviceable, and more effective.

St. James Men Plan Banquet

The Holy Name Society of St. James Church, Arlington Heights will hold its annual banquet on Monday evening, March 3, at the Hotel Continental in Cambridge, at 7:30 o'clock.

Program Director John Kedan announced that Frank C. Winters will be toastmaster and Rev. Lawrence J. Riley, the main speaker. Fr. Riley is secretary of the matrimonial court of the Boston Archdiocese and was a former star debater at Boston College. Joe Barry, song sylist, will perform and the Holy Name quartet will make a second appearance.

Cost Accountants Re-elect Hornbeck

Richard L. Hornbeck, of 87 Woods road, West Medford, has been elected director of publications of the Boston Chapter, National Association of Cost Accountants, according to an announcement by Boston Chapter President Clarence B. Nickerson, professor of accounting at the Harvard Business School. Mr. Hornbeck had previously served as director of publicity.

In assuming his new responsibilities with the Boston Chapter of the N. A. C. A., Mr. Hornbeck will supervise a "clearing house" procedure for publication of outstanding manuscripts on accounting subjects. As a member of Boston Control, Controllers Institute of America, and of the National Office Management Association, he will remain in close touch with developments in accounting technique and business administration.

Mr. Hornbeck is treasurer of the West Medford P. T. A. and is a charter member of the Medford Lions Club.

JOHN SAWYER ATTENDS FARM LEADERS' LUNCHEON

Governor Bradford had his first formal meeting with the farm leaders of his state on Tuesday at the Hotel Statler. This was the fourth Buff's Luncheon, a twice-a-year function that brings together the chief executive and 75 to 80 of the men and women most prominent in agriculture in the Commonwealth. John Sawyer of the Frost Insecticide Company was

among the invited guests present. Station WEEL and Jesse H. Buffum, editor of the Farmers Almanac of the Air, were hosts. The luncheon meeting featured across-the-table questions and answers between the Governor and state farm leaders, with speeches taboo.

The new Quartermaster-designed ration gives the soldier a choice of 10 kinds of meats and four kinds of fruit items in addition to other foods.

Gifts and Cards of Distinction FOR ALL OCCASIONS

Thomas Alva Edison

Inventor and Benefactor

1847 • February 11th • 1947

THE FIRST HUNDRED YEARS

This new month of February is especially significant because it marks the hundredth anniversary of the birth of an eminent American who gave light and electrical service to the world — Thomas Alva Edison, born February eleventh, in the year 1847.

A century ago mankind was unacquainted with the electric light, the generation and distribution of electricity, the motion picture, the phonograph, the electric railway, the storage battery and the thousand other things which Edison invented. During the hundred years since Edison's birth, we have come to look upon his creations as traditional, customary things, needful to our way of life.

Now we are about to embark on the second century of the Edison Era. We shall see new creations of science arise which will owe their very existence to Edison's earlier contributions. Science marches on, speeded along its course by Edison's manifold accomplishments and by the inspiration of his example.

For his many and varied gifts, humanity is forever in his debt. He strove without ceasing for the more abundant life. In his own words . . . "If I have spurred men to greater effort and if our work has widened the horizon of man's understanding even a little and given a measure of happiness in the world, I am content."

BOSTON EDISON COMPANY

Valentine GREETING CARDS

Have your pick of the biggest and best selection of Valentine greeting cards we could find.

Make your loved ones happy by giving them one of our carefully chosen Valentine gifts. You can make this a memorable day by giving a gift that will bespeak your affection and love better than words. So come in and let us help you select just the right Valentine gift.

The Treasure Chest
Opposite Town Hall

PROCLAMATION

WHEREAS, February 8, 1947, is the 37th anniversary of the founding of the Boy Scouts of America which has been chartered by the Congress of the United States, and

WHEREAS, the organization has affected the lives of 13,500,000 American boys and men since its inception and now has an active enrollment of 1,980,000, and

WHEREAS, the skills and experiences acquired through Scouting are the greatest influences for building young Americans into self-reliant men and participating citizens, thus making an inestimable contribution to the civic enterprise of this and countless other communities, and

WHEREAS, the Boy Scout Movement is a great factor for the promotion of world peace, and marks this anniversary with the theme, "Scouts of the World—Building for Tomorrow," with practical assistance to brother Boy Scouts overseas to rebuild their organizations;

NOW, THEREFORE, we, the Selectmen of the Town of Arlington, do hereby proclaim the week of February 7th to 13th as Boy Scout Week in Arlington and urge its citizens to recognize the unselfish service of the leaders and do all in their power to help promote this fine program among our youth.

IN WITNESS WHEREOF, we have hereunto set our hands and caused the seal of the Town of Arlington to be affixed on this twentieth day of January, 1947.

Savings Bank
Deposits Reach
Record Mark

"As the new year opens, mutual savings banks' deposits, approaching \$17 billions are at the highest point in 130 years of these institutions' service to the nation," said A. George Gilman, president of the National Association of Mutual Savings Banks and president of the Maiden Savings Bank, in a year-end statement.

"These banks are now serving more than 17½ million depositors, a gain of one million accounts since V-J Day.

"The year 1946 was one of post-war re-adjustment for savings banks. The growth in savings resumed a more nearly normal pace-time level. At the same time savings banks, after investing almost all of their added funds in U. S. Government securities for a number of years, were able to concentrate more on mortgage lending and the purchase of corporate securities.

"In the early part of 1946, savings were still increasing at the extraordinarily rapid rate of the late war years, but in the latter half of the year, the growth became much more typical of peace-time conditions. Even so the volume of new savings was in general higher than that of most previous years.

"The renewed demand for mortgage credit represented both an opportunity and a challenge for savings banks. Many of the potential borrowers were war veterans in search of housing. The savings banks welcomed the opportunity of helping veterans to acquire homes and during the year made many G. I. loans. However, with real estate prices advancing more rapidly than they had during any war year, savings bankers recognized their responsibilities to help veterans avoid undertaking commitments which would burden them excessively in the future. In my opinion, savings banks have grasped the opportunity and met the challenge in this difficult situation, and I am confident they will continue to do so.

"Though the year will not be without difficulties, I am confident that they can be solved. The transition from regulated to free markets has been largely accomplished without excessive damage to our price structure. There will be some further problems of trade adjustment and mounting inventories of some non-durable goods may dampen business activity in individual lines. The broad factors of prosperity, however, are present. With practice of reasonable restraint and good will, there is no reason why we should not reach and maintain a level of income which could afford an ever-increasing standard of living and an ample supply of new savings."

Catholic Daughters' Gentlemen's Night

St. Agnes' Court, Catholic Daughters of America will hold a Gentlemen's Night next Monday in American Legion Hall.

Members and their gentlemen friends will be entertained with a variety program and general dancing will follow.

The Misses Dorothy Geary and Marion Lyons are co-chairmen.

Miss Tait Engaged

Mr. and Mrs. Robert A. S. Tait of Arlington, announce the engagement of their daughter, Marion, to Albert J. Crooker, son of Mr. and Mrs. Albert H. Crooker of Jamaica Plain.

Miss Tait is a graduate of Boston University. Mr. Crooker is a veteran of the United States Army, with six years' service, including one year in the United States Group Control Council in the E.T.O.

—Mr. and Mrs. Robert Moynihan of 11 Foster st. are spending a six weeks vacation in Florida.

Scouts to Mark
Silver Jubilee

"SCOUTS OF THE WORLD
BUILDING FOR TOMORROW"

BOY SCOUT WEEK

Nearly 2,000,000 Cub Scouts, Boy Scouts and Senior Scouts will observe the 37th anniversary of the Boy Scouts of America in the Boy Scout Week, Feb. 7th to 13th. Through their World Friendship Fund of voluntary gifts the Boy Scouts of America have given \$110,464.36 to help Boy Scouts overseas rebuild their organizations. During the first year of their "Shirts-Off-Our-Backs" project more than 400 cases—or twenty tons—of Scout Uniforms and equipment collected from Scouts were contributed to Scouts in 13 nations. Scouting has always been an active force in promoting better understanding and mutual goodwill among the nations. Above is the official poster marking the event.

Sachem Council of the Boy Scouts of America today launched a week-long double celebration observing Boy Scout Week as well as the 25th anniversary of the Council.

Boy Scout Sunday will be marked next Sunday with special services in both Protestant and Catholic churches. During the coming week, Scout troops and Cub packs will have special programs and on Saturday, Feb. 15, the Silver Jubilee celebration will be brought to a climax with a banquet at the Belmont High School.

Several hundred men and women, who have taken an active part in promoting Scouting in this Council area comprising eight towns, will attend the anniversary banquet.

Hatch to Speak
Francis W. Hatch, a vice-president of the National Council, Boy Scouts of America, will be the guest speaker. Mr. Hatch, also a member of the Program Division Committee, the Operations Division Committee and Chairman of the National Boy Scout Committee on Public Relations, has had a wide experience in social service and community work. He is a director of the Ellis Memorial and Hale House. Since 1935, he has been the publicity chairman of the Greater Boston Community Fund campaign and has made many contributions in this field.

At present, Mr. Hatch is a member of the national executive board, a member of the regional committee of Region I and a member at large of the Algonquin Council where he serves as the Council chairman of finance. An unusual feature of Mr. Hatch's activities was the promotion and organization of Boy Scout Troops in private schools in New England.

A most inspiring message is assured to the many Scouts in the Sachem Council, from Mr. Hatch.

According to general chairman

and Council President, Erald L. Sawyer, many new and interesting features will be presented at this banquet. Many special guests have been invited and a large attendance of the Scouts of Sachem Council is expected.

The local men comprising the committee for this 25th Silver Anniversary Banquet are: Joseph Gaudet, Harold N. Anderson and Henry E. Keenan.

Special Window Displays
The 37th Scout Anniversary Week will be celebrated by every Pack, Troop and Senior Unit in the Sachem Council. Many attractive window displays will be placed in the following stores throughout Arlington:

Troop 1—Central News & Lunch 731 Massachusetts ave.; 2—Arlington Linoleum Shop, 104 Massachusetts ave.; 5—Leo's Barber Shop, Massachusetts ave.; 6—Charles F. McManus, Furniture, 719 Massachusetts ave.; 8—R. W. Shattuck & Company, Inc., 444 Massachusetts ave.; 9—Liggett's Drug Store, Corner of Lake st., 10—Bright Spn, Massachusetts ave.; 13—Harry's Barber Shop, Massachusetts ave.; 14—Anna B. Callahan, Real Estate, 454 Massachusetts ave.; 20—Chester K. Wanamaker, Hardware, 1314 Massachusetts ave.; 29—Arlington Curtain Laundry, 164a Massachusetts ave.; 41—Chester K. Wanamaker, Hardware, 1314 Massachusetts ave.; 86—Menotomy Pharmacy, Inc., 1332 Massachusetts ave.; Sea Scout Ship 37—Henry E. Keenan, Real Estate, 801 Massachusetts ave.; Explorer Post 6—Finley & White, Photographers, 826 Massachusetts ave.; Pack 13—Harry's Barber Shop, Massachusetts ave.; 14—Arlie's Cleaners, 1185 Massachusetts ave.; 20—Wright & Company, Real Estate, 727 Massachusetts ave.; 43—R. W. Shattuck & Company, Inc., 444 Massachusetts ave.; 83—Yarn shop, 186 Massachusetts ave.; 85—Frozen Fruit Store, Massachusetts ave.; and 86—Morningside Pharmacy, Adams Square, Summer st.

A section from these window displays will be set up in the gymnasium of the Belmont High School for exhibit from 5:30 to 6:30 p. m., prior to the banquet on Feb. 15.

Scout Sunday observance for all Cub Scouts and Senior Scouts of the Protestant and Catholic faiths will be held relatively at the Payson Park Congregational Church, 365 Belmont st., Belmont at 3:00 p. m. Sunday, and at the St. Agnes Church, Medford st., Arlington, also at 3:00 p. m. St. James Church and St. Agnes Church will hold an 8:30 a. m. Scout Mass with Holy Communion and breakfast following in the respective church halls. Troop 6 and Explorer Post 6 will observe Boy Scout Sunday by attending the morning service at the First Baptist Church in a unit, with the troop committee. Following this, a special Men's Class observance of Scout Sunday will take place with the Scouts as their guests. Troop 1 and Troop 2 will observe Scout Sunday at their regular morning service.

Steady Growth Shown
A revealing growth of the Scout program is shown from facts and figures appearing in the 25th annual report of the Council which compares the 304 registered Scouts in 1921, to the present total of 1900 in 1947. In 1921, Arlington comprised twelve hundred Cub Scouts from twenty-nine Packs throughout the Council territory. The splendid co-operation of the sponsoring organizations representing churches, service clubs, civic organizations, Parent-Teacher Associations, and in a few cases, groups of citizens, is responsible for this expansion and growth of Scouting in Sachem Council.

Since the acquisition of Camp Oak in 1924, there has been a steady growth and development of this camping area. With the help and assistance of volunteer Scouters and sponsoring organizations, plans are being formed to improve the facilities at Camp Oak.

The Council also acquired in 1927, a beautiful camp area known as Camp Sachem on the shores of Lake Gregg, in Arlington, New Hampshire. The camp has grown to accommodate 150 Scouts with central mess hall, recreational hall and health lodge. A program of development is also under way to improve and enlarge the facilities at Camp Sachem.

Sachem Council announced this week that the Arlington Kiwanis Club will sponsor Sea Scout Ship No. 37 of Arlington (The Canberra). Other sponsoring organizations and former Scouters who are interested in joining in the Scouting movement may apply to Scout Headquarters, 729 Massachusetts ave., Arlington. More men and organizations are necessary to absorb the growth in Scouting in this district.

Scouts are continuing the collection of books, magazines, picture puzzles and playing cards for the Veterans Hospital in Bedford. These are to be left at Henry E. Keenan's office, 801 Massachusetts ave.

"Men Of Tomorrow" will be playing in Arlington, today and tomorrow at the Capitol Theatre. This film is rated among the best by the many Scouters.

All boys between the ages of 9 and 18, are invited to join any one of the Cub Packs, Scout Troops or Senior Scout Units. Those of Scout age may enjoy the out-of-doors at the camping areas at Camp Oak and Camp Sachem.

The men serving on the local committee for the promotion of local Scout Week and the banquet are: Paul J. Power, district chairman; Joseph Gaudet, secretary; Harold Anderson, ticket chairman; Henry E. Keenan, publicity.

Catholic Women
to Give Minstrel

Rehearsals are under way for the Arlington Catholic Women's club minstrel show which will be presented at Junior High East on Feb. 17 and 18, with a special Sunday performance for children. Mrs. George M. Dolan is chairman of the committee in charge of the production in which an all-woman cast of 80 will appear. Tickets may be obtained from members of the committee at rehearsals in Chestnut Hall on Tuesday and Friday evenings.

John Clark of Winthrop will direct the minstrel show. Mrs. Warren Ryan is chairman of the ticket committee.

Recover Stolen Car

An automobile stolen in Somerville was found abandoned on Summer st., near Mystic early Tuesday night. Patrolmen Lester Peabody and James Donovan discovered the car. A plate stolen from another auto was also found inside the car.

Autos in Crash

A taxi operated by Harold R. Ellis of 43 Milton st., and an auto driven by Lester A. Weiner of Boston collided at the corner of Lake st. and the Concord turnpike Tuesday afternoon. No one was injured.

KENSINGTON STUDY CLUB

The Kensington Park Study Club will meet at the home of Mrs. C. R. Hall, 20 Jason st., next Tuesday afternoon when papers will be presented by Miss Katherine Yerrington and Mrs. Fred U. Wyman.

7-Up Does It?

The many who know J. Claude Shea, of 7-Up fame, will get a smile out of the following story which recently headed Joe Harrington's All Sorts column in the Boston Post:

J. Claude Shea, distributor of a widely known soft drink and vice president of the Cambridge Kiwanis Club, returned a short time ago from a trip to Florida. He had quite an experience with the brand new sedan he was driving.

On the trip North he decided to take the Skyway, the recently completed highway along the summit of the Great Smoky Mountains through North Carolina and Tennessee. The car was rolling along this high-altitude road when it began to steam up. Road signs told him he was in North Carolina and about 45 miles from the nearest town. The temperature was five degrees above zero, and when he stopped the car he found that the radiator had begun to freeze. It had only "caught" a little and he fixed up a piece of cardboard against the radiator, inside the grill.

That worked fine for a couple of miles, but the protection blew away and the radiator hissed and steamed some more, and he looked vainly around for water to replenish it. He pondered his problem and an idea flashed. In the trunk of the car was a whole case of the tonic he sells.

So he lifted out the case, dug up a bottle opener, and poured 24 small bottles of his favorite soft drink into the radiator.

It worked, too. With the tongue-tickling tonic cooling his motor, he nursed the car along for 40 miles finally reached a garage. He asked the mechanic to drain his radiator, but it was still very cold and he wasn't anxious to do it. He peeked in and said: "You got quite a lot of water in there. I'll just fill it."

"That isn't water," said Mr. Shea. "What is it?"

Mr. Shea reeled off the ingredients of his tonic, beginning with lemon syrup.

As the garageman reluctantly opened the drain cock of the radiator, he muttered:

"Beats me what you dam yankees will put in a car."

Turnpike

(Continued From Page One)

ing of the turnpike 10 feet each side to provide the same width of roadway as at present and still allow for a 20-foot safety island all along the turnpike, with crossovers where necessary. The land is available for the widening and there will be no takings.

The Arlington Board of Selectmen has not yet been officially advised that the work will be done this year, the NEWS learned this week. However, Town Engineer Joseph W. Kales of Belmont has been advised that the project will be undertaken this year, he told the NEWS yesterday.

At the time of the survey of conditions in 1944, a Belmont committee reported its findings to the Selectmen of that town, in part, as follows:

Analysis of Conditions Pertinent To Concord State Highway:

1. This section of highway has a 7% grade which is a relatively high speed gradient for a State Highway.

2. That a 7% grade is conducive to high speeds.

3. That there are five bus stops along this area.

4. That pedestrians leaving bus stop cross fifty feet of opposite directional traffic.

Recommendations:

1. It is our combined opinion

that the lighting of the highway in itself will do little to eliminate accidents.

2. That the safety island, be extended from its present end at Pleasant st. to Park ave.

3. That light poles be placed on this island, the cost apportioned equally to Arlington and Belmont.

Conclusion:

1. Your committee feels that the construction of an island is the only remedy for minimizing accidents. A pedestrian can observe traffic in one direction and proceed with safety to and from the island.

2. We feel that the placing of lights on this island will illuminate the mail, the highway, the motorist and the pedestrian.

3. We realize that the cost of this island will create considerable expense, but the savings to life and property will quickly prove its value.

4. We recommend that your board petition the Massachusetts Public Works Department for immediate construction of this island.

Our Governmental Security

During his tenure as President of the United States Andrew Jackson said: "As long as our government is administered for the good of the people, and is regulated by their will; as long as it secures to us the rights of person and property, liberty of conscience and of the press, it will be worth defending."

The Importance of Our Hay Crop

According to the United States Department of Agriculture the hay crop is the most important harvested forage and can be made at comparatively small expense. In discussing the crop a recent publication of the Agricultural department said: "Between 1928 and 1937

the hay crop had an annual value greater than that of cotton or wheat or any other crop except corn." The department also added that "crops unsuitable for hay may be made into silage, and almost any forage crop can be ensiled in weather unsuitable for haymaking."

Eleanor Taft of Arlington was a recent participant in station WCOF's hilarious afternoon program "Invitation to Studio A". She was chosen by Nelson "The Mayor" Bragg, who emcees the audience participation show each Monday through Friday afternoon at 4:30, to take part in one of the day's stunts.

Arlington Wins Playoff Battle, 4 to 1

Sparked by Capt. Bill Coveney, Arlington High tightened its hold on the Greater Boston Interscholastic Hockey League lead when it walloped Rindge Tech, 4-1, in the first of three playoff games at the Boston Garden, Saturday afternoon.

Coveney scored two goals while his brother Bob, assisted in another. Bill took a commanding lead as top scorer in the league with a total of 17 points now to his credit.

Arlington took an early lead when Bill scored on an assist from Bill Leary. A Kiniry goal, with Bob Coveney assisting, accounted for Arlington's second tally.

Late in the first stanza, Rindge scored its only goal with Rochon denting the nets.

Again in the second period, Bill Coveney was first to score with Walsh assisting. Kiniry passed the puck to Shea for Arlington's fourth and final goal of the day.

Neither team scored in the last period.

Cambridge Latin, which was trailing Arlington for league honors, dropped two points when it was held to a 2-2 tie by Newton. Belmont edged Medford, 1-0, while Stoneham went on a scoring spree to down Melrose, 7-3, in a spectacular game.

The second league playoff is scheduled for tomorrow afternoon at the Arena.

Summary of the Arlington-Rindge game: — G. Wells; rd. R. Coveney; id. Fife; c. Coveney; rw. Leary; lw. Walsh.

RINDGE TECH — G. Wolynes; rd. Wood; id. McCaffery; c. Rooney; rw. Mulrey; lw. Rochon.

Arlington Alternates — Donovan, Kiniry, Shea.

Rindge Alternate — Remeika, O'Brien, Tivnan, Robichaud, Romanaki.

FIRST PERIOD — Arlington, W. Coveney (Leary), 3:09; Arlington, Kiniry (R. Coveney), 4:29; Rindge Tech, Rochon (Mulrey-Rooney), 7:40. Penalties — Fife, hooking.

SECOND PERIOD — Arlington, W. Coveney (Walsh), 2:35; Arlington, Shea (Kiniry), 3:35. Penalties — W. Coveney, elbow check.

THIRD PERIOD — No scoring. No penalties.

St. Agnes Cagers Cop 7th and 8th Straight Games

St. Agnes' C. Y. O. basketball quintet won its seventh and eighth straight game last Thursday evening and on Sunday, defeating Belmont teams in both cases.

In the first game, the local aggregation edged Our Lady of Mercy C. Y. O. cagers, 38-36, at Junior High East. Joe Guarnatto with 15 points and Don Preston with 10, set the pace for St. Agnes.

On Sunday at the Belmont High School gym, the Arlington hoopers topped St. Joseph C. Y. O., 33-24, before a large crowd.

The Belmont team had the decided advantage in height but was outplayed by the St. Agnes team under both baskets. Bob Carmody with 11 points and Bill Canty with 10, were the high scorers.

All National Cemeteries, under supervision of the Quartermaster Corps have a distinguished service section reserved especially for burial of armed forces personnel who have won high military honors.

Range and Power Oil Burner Cleaning time is here! Call us for an appointment NOW!

LYNN

In stock—1947 Models. Lynn, A. B. C. Silent Glow Range Oil Burners for immediate installation. Inquire about the new Lynn with the "Super Heat" sleeves which provide 25% more heat for oven, stove-top and kitchen heating.

Also available—Automatic electric range oil pumps (to eliminate those back-breaking cellar trips) for your kitchen range burner!

We are again accepting orders for 1947 delivery of New Power Oil Burners, Lynn gun type and Torridheat rotary wall flame type. Our installations are guaranteed more efficient. Save fuel dollars. Heat with oil. Less cost. No toil.

Boys' Club Sets 2nd Half Pace

The Boys Club continued their winning habits this week by leading off the second half of league competition with a hard earned victory over Immaculate Conception.

Ahern led his team to victory by scoring 33 points and established a new league record for the highest number of points in a single game.

St. Agnes in a closely fought game finally defeated a fast surging Forest A. C. by the margin of one basket. Cappolo of Forest A. C. scored 18 points for the losing team and was the star of the game.

The Knights of Columbus defeated the Rangers and the American Legion defeated Rawson A. C. in other league games during the week.

B. C. Club Banquet

The Boston College Club of Arlington will hold its pre-Lenten banquet next Monday at 6:30 p. m. at Hotel Bostonian, Boston.

All members are urged to attend.

Featured speaker will be John J. Connelly, Boston College graduate and at present judge of the Juvenile Court of Boston. Edward O'Leary will act as toastmaster.

—George Mover of Arlington was on the organizing committee for the alumni dinner meeting of Boston University college of business administration on Saturday evening at the Hayden Memorial Building.

Park All Stars To Play A. H. S.

The Park League All Stars will play the Arlington High School basketball team Saturday night, Feb. 15, at the Lowe Auditorium.

Two players from each team in the Park League will comprise the All Star squad. Like Canty, well known former High School Athlete, will manage the team.

This game is scheduled for 7:30 p. m. and will be played as a preliminary to a game between the Arlington Knights of Columbus and the North Cambridge Knights of Columbus.

LOANS

You May Apply for a Loan by Mail

If your house needs new plumbing or heating; if you want to insulate it or even remodel it, we'll lend you the money on low-interest, easy repayment plan.
